

## A LAZY LIVER

Is a tired liver, or a starved liver. It would be a stupid as a thing to beat a weary or starved man because he lagged. So in treating the lagging, torpid liver it is a great lash it with strong drastic drugs. A torpid liver is but an of an ill-nourished, enfeebled body whose organs are weary work. Start with the stomach and allied organs of digestion. Put them in working order and see how quickly your become active. Dr. Pierce's Golden Medical Discovery has y marvelous cures of "liver complaint," or torpid liver, derful control over the organs of digestion and nutrition. It e normal activity of the stomach, increases the secretions of making glands, cleanses the system of poisonous accumu- i so relieves the liver of the burdens imposed upon it by the f other organs.

s. If you have bitter or the morning, poor or vari- coated tongue, foul breath, or irregular bowels, feel tired, despondent, frequent pain or distress in "small of ing or distressed feeling in shape nausea, bitter or sour throat after eating, and symptoms of weak stomach liver, or biliousness, no relieve you more promptly a more permanently than Golden Medical Discovery. is a part of the above symp- present at one time and torpid liver, or biliousness mach. Avoid all hot bread griddle cakes and other food and take the "Golden covery" regularly and stick till you are vigorous and

Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says of Golden Seal root: "It is a most superior remedy in catarrhal gastritis (inflammation of the stomach), chronic constipation, general debility, in convalescence from protracted fevers, in prostrating night-sweats. It is an im- portant remedy in disorders of the womb." (This agent, Golden Seal root, is an important ingredient of Dr. Pierce's Favorite Prescription for women's weak- nesses, as well as of the "Golden Med- ical Discovery.") Dr. Ellingwood con- tinues, "In all catarrhal conditions it is useful."

Much more, did space permit, could be quoted from prominent authorities as to the wonderful curative properties possessed by Golden Seal root.

We want to assure the reader that "Golden Medical Discovery" can be relied upon to do all that is claimed for Golden Seal root in the cure of all the various diseases as set forth in the above brief extracts, for its most prominent and important ingredient is Golden Seal root. This agent is, how- ever, strongly reinforced, and its cura- tive action greatly enhanced by the addition, in just the right proportion of Queen's root, Stone root, Black Cherrybark, Bloodroot, Mandrake root and chemically pure glycerine. All of these are happily and harmoniously blended into a most perfect phar- maceutical compound, now favorably known throughout most of the civilized countries of the world. Bear in mind that each and every ingredient entering into the "Discovery" has received the endorsement of the leading medical men of our land, who extol each article named above in the highest terms. What other medicine put up for sale through druggists can show any such professional endorsement? For dys- pepsia, liver troubles, all chronic catarrhal affections of whatever name or nature, lingering coughs, bronchial, throat and lung affections, the "Dis- covery" can be relied upon as a sover- eign remedy.

A little book of extracts treating of all the several ingredients entering into Dr. Pierce's medicines, being extracts from standard medical works, of the different schools of practice will be mailed free to any one asking (by postal card or letter), for the same, addressed to Dr. R. V. Pierce, Buffalo, N. Y., and giving the writer's full post-office ad- dress plainly written.

Don't accept a substitute of unknown composition for this non-secret MEDICINE OF KNOWN COMPOSITION.

## Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.
